

Education Endowment Fund Scholarship 2025

Ready to **elevate** your mining career?

Since 1989, the Education Endowment Fund (EEF) has been committed to supporting the future of mining professionals by providing financial aid, mentorship and elevated professional development experiences.

Each year, the EEF awards approximately 12 scholarships to outstanding students studying in mining-related fields.

We are now seeking the 2025 recipients. If you are an Australian student determined to reach your potential, develop leadership qualities, expand your knowledge and network in the mining sector, an EEF scholarship could be the perfect next step in your career journey.
