

2024 North West Queensland Regional Mining Symposium

Calling for Presentations

AusIMM North West Queensland Branch is pleased to extend a call for abstracts for presentations for the 10th Annual North West Queensland Regional Mining Symposium.

Friday 30th August 2024

The Symposium is aimed at continuing to share technical knowledge and build professional networks across operations spanning the North West region, in a low cost, easily accessible forum.

Attendees will also be able to register for our annual AusIMM North West Queensland Branch Gala Dinner in the evening following the Symposium.

Speakers: 10-12 places available (25 minute time slots)

Abstracts: Due 2nd August 2024

Final Papers: Due 16th August 2024

When: Friday 30th August 2024

Where: Buchanan Park Events Complex, Mount Isa

Please submit abstracts or any inquires to the committee at

Charlie.King@glencore.com.au

Please note that abstracts will only be accepted if sent directly to the above email by the author.
