

AUSIMM Consultants Society

Strategic Plan 2024–2026

The Consultants Society recognises excellence in professionalism and promotes the highest standards of practice within our membership through a focus on the consultancy sector.

We recognise this through recognition and leadership, in the promotion of good practice.

<p><u>We:</u></p> <ul style="list-style-type: none"> • Showcase leadership • Shape careers • Advance standards 	<p><u>ConSoc Strategic targets for 2024:</u></p> <ul style="list-style-type: none"> • Build recognition of Consultants’ contribution to our industry. • Ensure the sustainability of our Society through the delivery of initiatives of use to our membership. • Develop an energised and diverse Society management committee through providing opportunity, accountability and Consultant Society member engagement.

Strategic goals	Key initiatives
<p>1. Showcase leadership</p>	<ul style="list-style-type: none"> • Profile outstanding technical practice and professionalism examples, including via our awards. • Actively develop and promote opportunities for participation and engagement by our membership.
<p>2. Shape careers</p>	<ul style="list-style-type: none"> • Deliver case-study focussed, good practice and professional development for our membership. • Continue to develop and support high standard consulting skills particularly for ‘new entry’ professionals to the activity. • Grow interdisciplinary awareness and engagement between Societies.
<p>3. Advance Standards</p>	<ul style="list-style-type: none"> • Progress achievements in recognition, accreditation, and registration. • Advance our standards in Public Reporting practice and Codes including new and clear requirements for project evaluation and studies.
