

## Scholarship 2019

### THREE SCHOLARSHIPS ARE AVAILABLE

You will each spend one week with Epiroc in Australia. Here you will gain some invaluable practical experience of Epiroc's mining equipment and also understand how Epiroc works with the Australian mining industry.

### ONE WINNER WILL TRAVEL TO SWEDEN

You will spend two weeks with Epiroc in Sweden. The first week is spent at the production facilities in Orebro, with Epiroc's R&D and marketing teams for a total product overview. The second week is spent visiting Swedish mine sites.

### PRESENT TO YOUR PEERS

You will present a short paper of your experience at an appropriate AusIMM conference for students and young professionals. You will also provide feedback to Epiroc in the form of a presentation to senior management.

### WHO IS ELIGIBLE?

Student members of AusIMM studying at Australian, New Zealand or Papua New Guinea universities who are in the final two years of their bachelor's degree in technical courses of relevance to the minerals industry.
